TOWN OF TRURO

Select Board Agenda Item

DEPARTMENT: Administration

REQUESTOR: Darrin Tangeman, Town Manager, and Stephanie Rein, Select Board

REQUESTED MEETING DATE: August 22, 2023

ITEM: Walsh Property Community Planning Committee: Possible Appointment of Full Member; Possible Related Charge Changes to Membership; and Extension of Expiration Dates for Membership Terms

A quorum of the Walsh Property Community Planning Committee may be present for this agenda item.

EXPLANATION: A full-member seat on the Walsh Property Community Planning Committee was vacated and is now available. Due to the short timeline before the Special Town Meeting, staff solicited applications for the seat and requested that applicants appear before the Board so that the Board may choose its preferred course of action and appoint a full-member if so desired. Names of applicants and applications will be added to the packet on Friday, August 18th. The Board may wish to:

- 1) Appoint an alternate to the full-member seat;
- 2) Appoint a new applicant to the full-member seat; or
- 3) Take no action/ make no appointment to the full-member seat.

Please note that if no action is taken, the Board cannot reduce the Committee size from 11 full-members to 10 full-members as the Charter requires an odd number of members on multi-member bodies (Truro Charter 6-2-5).

If an alternate is appointed to the full-member seat, that would leave a vacant alternate seat. The Board will then have two options:

- 1) Appoint a new applicant to the alternate seat;
- 2) Make no appointment to the alternate seat and instead update the charge to reflect only one alternate on the Committee.

A draft revised charge is prepared with the potential change to the charge decreasing the

number of alternates from two to one.

Finally, the current Committee members all have terms expiring October 13, 2023. As this Committee is an ad hoc committee, the Board may wish to extend the terms of the current Committee members to Special Town Meeting on October 21, 2023 so that they can complete their Committee's specific purpose.

FINANCIAL SOURCE (IF APPLICABLE): N/A

IMPACT IF NOT APPROVED: The Walsh Property Community Planning Committee will continue to have a vacant full-member seat. The terms of the WPCPC members will expire on October 13, 2023.

SUGGESTED ACTION:

MOTION 1: Motion to appoint {{INSERT APPLICANT NAME HERE}} to an unexpired full-member seat on the Walsh Property Community Planning Committee for a term expiring on October 21, 2023.

(IF AN ALTERNATE IS APPOINTED IN MOTION 1)

MOTION 2: Motion to revise the Walsh Property Community Planning Committee Charge to decrease the number of alternate members from two to one, as provided.

MOTION 3: Motion to extend the appointments of all Walsh Property Community Planning Committee members from October 13, 2023 to October 21, 2023.

ATTACHMENTS:

1. Draft Revised Charge of Walsh Property Community Planning Committee
2. Applications (to be provided on Friday, August 18th)

Walsh Property Community Planning Committee Charge

Adopted: October 26, 2021, Revised September 27, 2022, December 6, 2022, [August 22, 2023](#)

In accordance with the Truro Town Charter, Section 6-4-4, and Article 11 of the April 30, 2019 Annual Town Meeting, the Select Board hereby establishes the Walsh Property Community Planning Committee as an ad-hoc committee.

PURPOSE:

At the Annual Town Meeting in April 2019, and ratified by ballot in May 2019, the people of Truro authorized the purchase of the Walsh property for the Town of Truro, to be used for general municipal purposes. The article further authorized and directed the Select Board to create a committee, to include citizen representatives from diverse sectors of the community to lead a community wide process, beginning in June 2019, to engage a wide range of Truro residents in developing plans for the use of the property to be presented at a future town meeting for approval.

APPROACH:

The purpose of the Walsh Property Community Planning Committee (WPCPC) is to guide the development of plans for the use of the Walsh property. The WPCPC's mandate is:

- a) to embody, engage and include the full range of perspectives (needs, interests and concerns, as well as geographic and demographic groups) of the Town of Truro.
- b) to undertake, analyze and synthesize public input and widespread outreach to maximize involvement, understanding and support for the resulting plan and its implementation.
- c) drawing on active public input and engagement as well as data that describes the current and future needs of the Town and region, the WPCPC will develop and evaluate a range of options, and ultimately prepare a plan for the use(s) of the property to be presented to Town Meeting.

The Chairs will primarily use consensus, but voting might be used as a default if it is apparent that consensus cannot be achieved at appropriate times in the process, as they see fit.

MEMBERSHIP:

The WPCPC will be composed of eleven voting members and ~~one~~^{two} alternate members and membership may be decreased by an even number of seats by a vote of the Select Board, so that an uneven number of seats remain in accordance with Town Charter, Section 6-2-5. As the appointing body, the Select Board will interview and appoint new prospective members. Reappointments will also require appointment by the Select Board. The Select Board will strive

to appoint and maintain a complement of members who collectively reflect the balanced and broad range of perspectives, experiences and demographics of Truro. Members may be from existing Truro boards and committees, as long as those boards and committees do not have official authority over components of the plan.

Although they are selected to help reflect and inform a set of experiences, expertise and demographics, members will serve as individuals, rather than as official liaisons or representatives to any particular group or issue. Collectively, the WPCPC to the best extent possible will reflect the multitudes of perspectives and points of view as well as the demographic composition of the Town of Truro.

All members will be expected to possess interest in the topics under consideration, as well as to demonstrate commitment to working collaboratively and productively on behalf of the WPCPC's objectives. All individuals on the WPCPC should demonstrate the willingness and capacity to engage in respectful and constructive dialogue with other participants, maintain an open mind, and seek creative options that respond to the interests of other participants and stay focused on what is best for the Town of Truro and not their own particular interests.

The WPCPC will be an official Town body, and all members will be subject to state and Town regulations governing such Town bodies, including conflicts of interest law and the Open Meeting Law.

The WPCPC may request, and the Select Board may appoint, liaisons, from the Select Board or from other entities, in accordance with Policy 34: Selectmen Liaison Policy. Liaisons will serve as a conduit of information and a point of contact to and from their respective board and will not have voting authority on the WPCPC.

STAFFING AND RESOURCES:

The Town Manager will determine appropriate staffing for the WPCPC. Town of Truro staff and departments will serve as technical advisors to the WPCPC, as needed and requested by the participants, through the Town Manager. Technical advisors will help members and the public understand 1) existing site conditions and opportunities/constraints on development, 2) the planning, legal, regulatory, financial, economic, and natural resource implications of options being explored for use of the property, and 3) any other information needs requested by the WPCPC within the expertise of town staff or contracted consultants.

To the extent the WPCPC determines a need for information outside of the available or acceptable expertise of town staff, they can request it. If funding for such advice is needed, the WPCPC can request support through their committee chair(s) from the Select Board in coordination with the Town Manager to enlist additional expertise.

We have owned property in Truro for 10 years and love the town and sense of community. It would be an honor to serve in the capacity of a volunteer member of the Walsh Property Community Planning Committee and apply my knowledge of the area as well as my understanding of state and local laws and guidelines as well as the housing and development issues that are a pressing topic to the conversation. This is one of the more important issues facing the Town of Truro, and I am willing to roll up my sleeves and do my due diligence in order to assist residents in making an informed decision.

Walsh

Briefly Describe Why You Wish to Serve on This Board or Committee:

I realise that membership is contingent upon full-time residency but as a home owner, tax payer and owner of a company specialising in the repair of historic timber frame buildings, I think that I could be of good service to the committee now and to the town in the future regarding matters relating to the conservation and historical documentation of architectural artifacts. I attended last night's Town meeting, with my two sons (20 and 18) at which the Walsh property Master Plan was discussed and was impressed by the turnout and the thoughtful participation. I was also struck by the fact that there was no discussion about how and when the historic Sears Houses will be removed and what will be done with them. I do not think that these structures should prevent development but I do believe they should be recorded in a drawn, photographed and measured survey before they are dismantled -- I prefer the word "dismantled" to another word I unfortunately heard used in reference to the cottages: "demolished." Anyway, I am available to help and look forward to doing so. I have a BA in European History from University of Massachusetts (1983) a Masters in American History from Harvard University (1986) and a Ph.D. in American Civilization from Harvard University (1988). Please see my company website: www.londontimberframe.com I look forward to participating. Thanks and best, David Leviatin dleviatin@gmail.com

The Walsh property (where I lived for weeks each summer) is a rare opportunity to shape a significant future for Truro. Conventional zoning and subdivision solutions will lose the opportunity for the magic that can happen with a vibrant mix of uses, income levels and open space. I have significant experience drafting zoning bylaws to accomplish a shared vision of the town's future look and feel.

TOWN OF TRURO

Select Board Agenda Item

DEPARTMENT: Administration

REQUESTOR: Tim Collins, Fire Chief; Alex Marini Lessin, Finance Director

REQUESTED MEETING DATE: August 22, 2023

ITEM: Vote to Approve/Direct the Town Manager to Pursue LCAA Ambulance utilizing Fire/EMS Capital Outlay Funds and Recommend Path Forward for Additional Funding

EXPLANATION: Staff requests that the Select Board consider utilizing funds from a FY23 year-end transfer to pursue a purchase of Lower Cape Ambulance Association's Ambulance.

On May 23, 2023, the Select Board approved a year end transfer of funds to purchase an ambulance for the Fire/EMS department. The Finance Committee was also required to approve this transfer, which was approved on June 15, 2023. The final transfer authorization was for \$417,000, which, utilizing the existing \$8,000 in the Fire Department's Capital Purchase line item, increased the allocation for the purchase of a new ambulance to \$425,000.

At the time, the allocation left room for cost increases from an original quote of \$403,617 for the ambulance. Delivery of the vehicle was scheduled for 39 months from the purchase date. However, after negotiations with the vendor, Lt. Jeff Souza and Chief Collins were able to capitalize on the purchase of a demonstration vehicle for a lower price of \$362,709. The option also reduces the delivery time to 12 months. Sales proposal for the Braun Chief XL Type 1 Ambulance is attached.

This leaves excess funds of \$62,291.00 to pursue a potential purchase of the existing Lower Cape Ambulance Association (LCAA) ambulance, which unexpectedly has become available due to the dissolution of the organization. The Town will need to follow procurement rules under Ch. 30B. After negotiations, the current total estimate for the ambulance and additional equipment used during life support transport is \$48,750, which can be funded by the portion of the Transfer monies that will no longer be spent due to the decreased price of the Braun ambulance. To allow for this transaction, a vote of the Select Board and a similar vote of the Finance Committee to use the funds for this purpose will be required.

The overall funding plan is below.

Summer 2023 Ambulance Purchase Plan	
16-Aug-23	
Funding Sources	
Fire Capital (w/FY23 Year-End transfer approval)	\$ 425,000

Select Board Agenda Item

DEPARTMENT: Administration

REQUESTOR: Darrin Tangeman, Town Manager

REQUESTED MEETING DATE: August 22, 2023

ITEM: Review and Establish Concert Committee as Standing Committee, Approve Charge for Concert Committee, and Appointment of New Member

EXPLANATION: The Truro Concert Committee was established as an Ad Hoc Committee at the September 4, 2001 Select Board Meeting. Since establishing the committee, no charge has been prepared, and as a result, there are no clearly defined number of members. A new applicant wishes to be appointed to the Concert Committee. With no charge, no set membership, an Ad Hoc categorization, and staff concerns about the assigning a municipal committee tasks that may not adhere to General Law, Town financial policies and general financial best practices, staff has set out to find a path forward for this Committee. Staff has researched the origins of the Concert Committee, consulted Town Counsel, and offers the following path forward for the Board to consider this evening:

1. Review and Establish the Concert Committee as a Standing Committee

The Board of Selectmen minutes from Tuesday, September 4, 2001 state:

"The next item was to appoint member to the new Ad Hoc Truro Concert Committee."

Town Charter 6-4-4 provides that *"The Town Meeting or the Select Board may from time to time establish other multi-member bodies for particular purposes. The appointment of ad hoc committees by the Select Board shall be made only for specific and immediate purposes, and any such committee shall be appointed for a definite period of time, not to exceed two years. Should the particular purpose for which an ad hoc committee was created not be resolved at the expiration of the two-year appointment, such committee may be reappointed for an additional one-year period."*

As this is a Committee that has been in existence for 22 years and there is no indication that its purpose will be "resolved," staff recommends that this Committee become a standing committee. A draft charge identifying this Committee was prepared by staff for the Board's consideration.

2. Approve Charge for the Concert Committee

The draft charge incorporates the mission statement of the Committee that is presented on the Town of Truro website and uses the charges from Massachusetts town's parade committee and similar cultural event committees as a basis for the charge. It was difficult to find other communities that have

a concert committee, as it appears most communities run community concerts through Parks & Recreation Departments or non-profit organizations. Town Counsel supported our past/ current practices that any donations and grants for the concerts be deposited into the donation account (Fund #2502 Summer Concert Series). Counsel advised against the direct involvement of the Committee in managing the finances, as the account is under the control of the Town Treasurer. Donation checks should include a note that the gift is for the Town of Truro Concert Gift Fund. Town Counsel further recommends that a sign for any cash donations collected during the concerts state that "All donations will be deposited into the Town's gift fund."

3. Appoint a New Member and Advertise a Vacancy for an Additional Seat on the Committee

If the proposed charge is approved, the Concert Committee will have two vacant full-member seats. Applicant Charlo Maurer has submitted an application to serve and is present at tonight's meeting so that the Board may consider if it would like to make an appointment to one of the open seats. Pending approval of the charge, staff will advertise for either two open seats on the Concert Committee, or if Charlo Maurer is appointed tonight, will advertise for one open seat on the Committee.

FINANCIAL SOURCE (IF APPLICABLE): N/A

IMPACT IF NOT APPROVED: The Concert Committee will continue to be designated as an Ad Hoc Committee, will not have a charge, will not have clearly defined membership, and will not have new members appointed.

SUGGESTED ACTION:

MOTION TO establish the Concert Committee as a standing committee and adopt the Truro Concert Committee charge as presented.

(IF CHARGE IS APPROVED):

Motion to appoint Charlo Maurer to a three-year term expiring June 30, 2026.

Board of Selectmen Minutes
Tuesday, September 4, 2001
Page 2

Mr. Eastman, having just come in, said that most of the complaints received have been from the bayside. Ms. Thomas pointed out a couple of items, one is that we cannot ban PWC from private property and the other is that we need to discern who will write out the violations and that it should probably be the Harbor Master. Mr. Rose said that if PWC are allowed on private beaches, then he does not feel we are accomplishing anything. Mr. Martin said he had been told by someone that heard it on the radio, that some of the proposed bans and bylaws are not being accepted. Ms. Boleyn said she didn't know about that but Col. Murray has suggested that a working group be set up to include the Lower Cape towns and the Pleasant Bay area, to review all the proposed bylaws to see if they are compatible. In view of all of this, the Board felt it best to not discharge this committee at this time. Ms. Thomas moved to approve the draft bylaw as presented by the Ad Hoc PWC Committee and that it be forwarded to Col. Murray for recommendations. Mr. Martin gave the motion a second. 5-0, unanimous.

The next item on the agenda was an interview with Cheryl Costa who had applied to serve on the Shellfish Advisory Committee. Ms. Costa explained that she originally had wanted to serve on the Pamet Harbor Commission but there had been no vacancy, so when this opening came up, she applied. Mr. Rose wondered if, since she is in the fishing industry, there would be a conflict in her serving on this committee. Ms. Costa responded that she didn't think so, and that the shellfish she does purchase comes from out of town. However, Mr. Martin said if we are talking about conflict of interest, we would have to get rid of most members of our Pamet Harbor Commission members who all have boats. Mr. Martin also mentioned to Ms. Costa that there is now a vacancy on the PHC if she wished to apply. Ms. Costa said she would like to withdraw her application to serve on the Shellfish Committee and instead apply to serve on the PHC. Ms. Thomas moved to waive Ms. Costa from coming in for another interview for the PHC. Mr. Martin gave the motion a second. 5-0, unanimous.

Mr. Martin then moved to appoint Patricia Tetreault and Keith Amato to serve as alternates for one year on the Shellfish Advisory Committee. Mr. Eastman gave the motion a second. 4-0-1, with Ms. Thomas abstaining since she had not been present for the interviews and did not know the applicants.

The Board next interviewed Mr. Scherer to serve on the Recycling Committee for a one year term. Mr. Martin wondered, since Mr. Scherer had just retired from working for the town, what he found so intriguing that would make him want to serve on this committee. Mr. Scherer said that he had expressed an interest in serving on this committee even before he retired because recycling has increased ten fold and he is hoping that this committee will work to find another market for our recyclables. Mr. Thomas moved to appoint Mr. Scherer to the Recycling Committee. Mr. Rose gave the motion a second. 5-0, unanimous.

Ms. Mack then presented Mr. Scherer with a Retirement Proclamation from the Town, and thanked him for his service and that the Board hopes he enjoys his retirement.

The next item was to appoint members to the new Ad Hoc Truro Concert Committee. Ms. Thomas moved to approve the following people to serve on the Ad Hoc Truro Concert Committee: Betty Bingham, Skip Dickerson, Raymond Johnson, Marion Averbach, Judy Perry, Shirley Smith, Bill Evaul, Norm Edinberg, and Joan Pereira. Mr. Rose gave the motion a second. 5-0, unanimous.

TOWN ADMINISTRATOR'S REPORT

Mr. Breault reported on the following items:

- After receiving a letter from the Secretary of the Interior asking for members to serve on the Cape Cod National Seashore Advisory Committee, Mr. Breault contacted both Butch Francis and Howard Irwin to see if they are interested and if so, to provide a listing of their qualifications. Mr. Rose moved to approve for appointment Mr. Francis as the primary member and Mr. Irwin as the alternate and to forward their names to the Secretary of the Interior. Mr. Martin gave the motion a second. 5-0, unanimous.
- Received a summary note from Mr. Palmer on a conversation he had with the DEP on Noons Pit and a subsequent meeting he had with them at the site. After the meeting it was found that there does not appear to be anything being done that cannot be brought up to the standards the DEP wants. One item was suggested that material from trucks go to a dumpster or a pad rather than on the ground.
- Received a letter from the Building Commissioner on problems with Wellfleet Real Estate on maintaining homes being used for rentals in Truro. The Board of Health will discuss this issue.
- Heard from the Division of Energy Resources and Mr. Breault wondered if the Cape Light Compact was on top of this and Ms. Thomas said that yes, they have a meeting coming up soon and would be looking into this matter.
- Received a request from Orvis Women's Clothing to film still photographs to be used in a catalogue. Ms. Thomas moved to approve the filming for Ballston Beach on September 10, 2001, weather permitting. Mr. Eastman gave the motion a second. 5-0, unanimous.

ITEM: Public Works Facility General Update, Funding Options, and Discussion and Possible Vote on Special Town Meeting Article

EXPLANATION: Staff will provide a general update on the Public Works Facility, to include a preliminary staff review of the independent DPW study group proposal. The independent DPW study group proposal is not recommended without further review by staff, Town Council, and contracted consultant.

Additionally, staff will present the following funding options to the Select Board:

Option 1 Engineering Services:

- Present article at Special Town Meeting to request a borrowing authorization to fund engineering services **ONLY**. Engineering services would fund design, permitting, bid document development, bid oversight services, and Owner's Project Manager services. If the engineering services are requested separate from construction services, another request for authorizing construction funding at a subsequent Town Meeting in April of 2024 or April of 2025 would be required. *This would request voter approval for only the engineering services described. A second request would come before the voters at a subsequent town meeting/ election ballot to approve the construction costs.*

Option 2 Construction and Engineering services:

- Present article at Special Town Meeting or subsequent Town Meetings to request a borrowing authorization to fund **ALL** engineering and construction services for a new DPW facility. *This would request voter approval a single time to borrow the entire amount associated with the project (although the borrowing could still occur in multiple phases).*

Notes:

- Engineering services represent 10% of the overall construction cost. Preliminary engineering services leading up to a construction bid announcement can take between 9-10 months.
- Weston & Samson average cost per site - 34,674,084
- CHA average cost per site - \$27,588,295
- Average amount between Weston & Sampson and CHA estimates - \$31,131,189.50

Staff requests that the Board provide direction regarding, which, if any, articles related to the Public Works Facility should be prepared for the fall 2023 Special Town Meeting. Staff provides the following draft language for a

warrant article for fall Special Town Meeting to serve as a starting point for the Board's discussion. This is not the final language, and a more precise dollar value will be included in the article prior to the article coming to the Board for a vote to recommend. Town Counsel will also review the finalized language as is customary. This language is intended to serve only as an example and is subject to modification at this time.

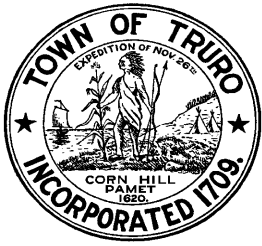

*To see if the Town will vote to raise and appropriate, borrow and/or transfer from available funds the sum of **Thirty-Five Million Dollars (\$35,000,000.00)**, or any other sum, for the purpose of engineering and constructing the new Department of Public Works Facility, including all expenses incidental and related thereto; provided however that such vote shall not take effect until the Town votes to exempt from the limitations of total taxes imposed by Massachusetts General Law Chapter 59 § 21 C (Proposition 2 1/2) amounts required to pay the principal and interest of the borrowing approved by such vote and further authorize the Select Board and/or Town Manager to apply for and accept any Federal, State, County or other funds that may be available for this purpose and to enter into Intermunicipal Agreements for acceptance of any such grants or funds which shall be used to offset the total appropriation authorized herein, or to take any other action relative thereto. (2/3 Vote Required)*

FINANCIAL SOURCE (IF APPLICABLE): Borrowing Authorization to be requested at future town meeting/ town election ballot.

IMPACT IF NOT APPROVED: No article will be prepared for the fall 2023 Special Town Meeting warrant.

SUGGESTED ACTION: *MOTION TO direct staff to prepare an article and associated ballot question for the engineering and construction costs for the new Public Works Facility.*

Agenda Item: 7F2

To see if the Town will vote to amend Section 30.8(B) of the Zoning Bylaw as follows:

30.8(B)

A special permit shall lapse after ~~one~~ two years if a substantial use thereof has not sooner commenced except for good cause or, in the case of permit for construction, if construction has not begun by such date except for good cause.

Summary: Many projects receiving special permits from the Zoning Board of Appeals are unable to commence construction within one year, due to labor and/or material shortages, additional permitting required, or other valid reason. Currently, a permittee must seek a permit extension if unable to commence within one year. Extending the period for commencing construction from one to two years would align the term of special permits with the term of other approvals under the Zoning Bylaw (for example, Site Plan approvals). In addition, this amendment streamlines the permitting process to the benefit of applicants and the Town's Planning and Building Departments.

DEPARTMENT: Administration

REQUESTOR: Darrin Tangeman, Town Manager

ITEM: Discussion and Vote to Recommend Special Town Meeting Articles

EXPLANATION: The Warrant for the fall Special Town Meeting to be held on Saturday, October 21, 2023, at Truro Central School, opened on July 21, 2023, and closed on August 10, 2023. At tonight's meeting, the Select Board will consider the three petitioned articles, all of which have been certified by Interim Town Clerk Trudi Brazil. Town Counsel has received all three of these articles and feedback provided will be relayed to the Board during the meeting.

At tonight's meeting the Board may wish to vote to recommend the three petitioned articles provided and may provide guidance on any articles it wishes to consider for the fall Special Town Meeting Warrant. The Board may defer its votes to recommend these articles to a subsequent meeting if desired.

The form of vote is positive, motion to recommend, and will be recorded in the warrant as # of yes votes - # of no votes - # of abstentions in favor, e.g. 5-0-0 in favor. Once the votes are completed, they will be added to the draft Warrant. Article numbers will be assigned as the Warrant is finalized.

Additionally, staff wishes to encourage the Select Board to consider holding more than the two regularly scheduled meetings in September to allow for ample time to discuss, modify, and vote to recommend articles, particularly to allow for thorough discussion of the article related to the Walsh Property plans and the article related to the Local Comprehensive Plan. To accommodate the work of the Walsh Property Community Plan Committee (WPCPC) and the Local Comprehensive Plan Committee (LCPC), staff recommends adding a meeting on Tuesday, September 19, 2023.
