Upcoming Meeting Dates

- April 9, 23
- May 7, 21
- June: 4, 25
- July: TBD but tentative July 9th
- August 6, 20

Future meetings will be in Town Hall, rather than alternating between the town hall and library.

Solar Warrant

Unanimous Support for the Solar Warrant from the members of the Climate Action Committee

Update from the Climate Action Coordinator

Solar on Landfill

- Solar project will pay for itself
- There is a lag due to construction when we need to pay the bond and when the first income comes in the solar project (2 years)

Meet the Climate Coordinator

- Talk went well
- The Climate Action Committee from WEI fleet Attended

Charging Smart Program

- A program that provides resources on EV Readiness
- Cape Cod Commission is going to be providing free technical help on EV readiness,
- This program provides actions to take

EV Charging Stations

- Chris is working on completing the EV charging station at the library.
- EV stations will be installed at the Beach office and Noons Landing

Warrant Flyer

- Brian from Energy Committee provided feedback
- Will distribute the flyer at:
 - Upcoming Library Sessions
 - Pre-Town Meetings
 - SChool Community Night
 - Truro Community Kitch (April 3, 5-6)

Remaining Tasks

- ☐ Need a more detailed 3 pager that the QR code can link to. - Chris Palmer
- ☐ Find different Stock Photos - Alex Limpaecher
- ☐ Update based on everyone's feedback - Alex

General Updates

MVP Grant

The select board approved both resilience hubs and undergrounding wires on shore road.

Next Truro Talk

- ☐ Alex will write up a Solar Article for Truro talks

Library Events

- April 15th about the warrant articles. The solar Warrant and the pesticide warrant.
- May 20th - Cape light compact.
- June 17th - Fire
- July, August - NOthing

Other Events

The meeting house is putting together a fire round table, they asked if the CAC is interested in co-sponsoring the events.

Earth Day

On April 19th.

Respectfully submitted by,

Alex Limpaecher
