

Truro Climate Change Action Committee

December 3, 2019 Meeting Notes & Action Items

Attendees: Carol Harris (Chair), Bob, Higgins-Steele, Michael Holt, Fred Gaechter, James Rudd (public guest)

Topic	Assigned to	Description	Status
Meeting Notes	All Members	Review of the Meeting Notes for November 19 th was deferred until the next meeting.	Pending – next meeting
Public Comments	All Participants	James Rudd, a Truro resident, presented his perspective on the need for Climate Change action and commented on topics throughout the meeting.	No Action Required
Review Proposed Action Items	All Members	The Committee reviewed and determined the following Proposed Actions: <ol style="list-style-type: none"> 1. Approved "Greenhouse Gas Emissions Inventory (v2) in the "Air" category. This concluded the review of that categories proposals. 2. Approved the first six Action Proposals in the "Ecosystem" category, with changes. 	Review of the remaining Action Proposals will continue at the next meeting.
Discussion of public survey and/or meeting.	All Members, led by Carol.	The discussion resulted in agreement that both a public survey and meeting are in our future. The question to be resolved is: when and in what order.	Carol will distribute a potential meeting agenda and survey questions for further discussion at the next meeting.
Member Updates	All Members	Carol updated the Committee on its proposed budget. Carol will meet with the Recycle Committee. Bob reported on pending State Climate Change legislation. The Committee discussed the process for forwarding Truro comments to the legislature.	Discuss and review a draft of Truro comments for consideration by the Select Board. Bob will prepare the draft for distribution prior to the next meeting.
Next Agenda	All Members	The next meeting agenda will include the Action Items from this meeting and a continuation of the review of the proposed Committee Actions.	Next meeting: December 17, 2019 at 4PM, at the Truro Library.

Carol Harris 12/31/19
