

## TRURO CLIMATE ACTION COMMITTEE

**Minutes** for meeting on 6/15/23, 3:30 PM – 5 PM.

**Present:** Carol Harris, Lili Flanders, Rebecca Bruyn, Georgia Neil

**Finalize status 2022/23 CAC goals:** We reviewed and finalized.

**Set 2023/24 goals:** We reviewed, discussed and edited a list of proposed goals. Carol will revise the list for further revision and approval.

**Updates and Ongoing Actions:** Lili shared an interest from OCCAC to co-host an event involving all Outer Cape Towns. It was decided that we weren't ready to sponsor such an event this fall, but perhaps around Earth Day 2024. Lili also shared that Dick Elkin is looking for people interested in being trained as climate coaches. Carol expressed an interest, if there is an official training program.

**Display for TCT at High Head:** Due to a lack of information,/clarity around signage content, we decided not to pursue this now.

**Suggestions for next agenda:** Review Climate Action Plan, WGA suggestions from EC.

**Next meeting:** 6/22/23, 10 AM- noon at the library

**Adjourned:** 5 PM.

Respectfully submitted by: Lili Flanders

*Carol Harris*  
6/25/23
