The meeting was called to order at 10:06 am. The minutes from the September 14, 2023 meeting were approved.

Alex Lessin moved that the committee continue in executive session to review the FY 2024 application. Barbara Wood seconded the motion.

- One application was received.
- The individual had applied and qualified for the Truro Residential Exemption and received reduced tax liability of \$311 through Clause 17D.
- The applicant had been diagnosed with stage IV cancer and qualified for Clause 18, financial hardship (requirements – age, infirmity, and poverty).
- Based on the overall hardship situation, the committee awarded the applicant \$250 from the Elderly and Disabled Fund.
- The applicant would still be required to pay over 10% of his tax bill.

Next meeting will be held in October 2024. Alex Lessin proposed sending thank you letters to donors to the Fund and volunteered to send the letters. In addition, the committee will discuss the possible reasons for the decline in applications.

Meeting adjourned at 10:48 am.

Respectfully submitted,

Barbara B Wood
