

# **Approved Truro Concert Committee Meeting Minutes, April 29, 2024**

Submitted by Michael Holt

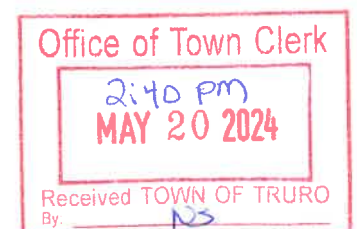

Present: Tim, Ken, Tricia, Nancy, Pat, Carl, John, Michael, Charlo

## **Last minutes (April 1)**

- Approved

## **Infrastructure**

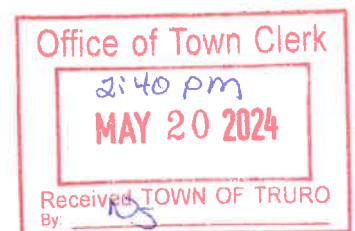

- Carl believes extending deck is too much work, so we won't do it.
- Tim found a good material for a line cover, to place over electrical extension cords on walkway.
- Carl made a new banner that can be hung on the side of the library behind acts playing on the lawn. Could also be used at the median where routes 6 and 6A meet. But that's where the electronic sign goes. For

- the time being we'll display it at the library.
- We can keep using downstairs library closet, so no need to buy mouse-proof storage bins.
  - DPW is currently not fertilizing or bug-spraying on the lawn, just cutting. Library has been paying Pure Solutions to spray. Michael will ask that firm if they're willing to bug-spray the lawn only with safe essential oils.

## Promotion

- Ken or Tim will talk to Jarrod about the location of, and permission to program, the electronic sign.
- Tim will get signs for this year's two new bands: The Value Leaders, and Sarah Burrill. The one for Chandler's band can probably just say Chandler Travis.
- Ken will reach out to Jane Corbin to see if she'll keep posting to social media. Tricia is willing to do it if not.

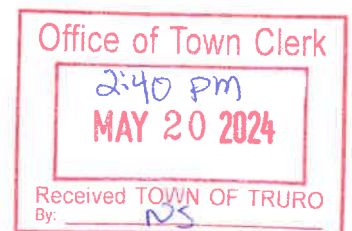

- Charlo will do some little interviews of artists before they play. Ken will help with the tech.
- Tricia's stepdaughter will interview Zoe.

## **Concert documentation**

- Tim will take pix and/or videos at the concerts he can attend.
- Nancy Bloom would be a good candidate to take pictures. Ken will ask her.
- At least some of the band photos should be closeups without showing empty space in front the them.
- Would be good if the photos on the website are thumbnails that when clicked allow the user to download a hi-res version.
- We will announce, and/or say on a sign at the concerts, that someone will be taking photos and please speak to him/her if you don't want to be in them.

## **Revenue**

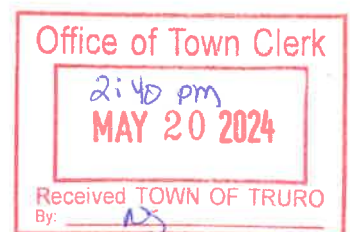

- Solicitation letters: some members help address envelopes with labels during today's meeting, and will deliver or send them personally.
- Nancy will send the thank you letters.
- TPRTA is on the list of solicitation letters.
- We got grants from Arts Foundation of Cape Cod. Next year Ken will apply for more. We also got a grant from Truro Cultural Council. No MA Cultural council grant because our budget is too small.

## Membership

- Jim Bisceglia is not interested.
- Ken will reach out to Regan McCarthy
- Michael, Charlo, and Tim's terms will end June 30 so they need to re-apply in early June to the Select Board for membership.

## Finance

- Charlo gives a report.
- Ken will get the musicians' payment spreadsheet info to Charlo
- Ken dropped off donation solicitation letter at Seamen's Bank, but was unable to meet in person. Will try again.

## **Next meeting**

- 10 to 11am May 20 at the Recreation Lounge at Community Center.
